

Digital EHS & Sustainability Enterprise Management Platform

ONE SEAMLESSLY INTEGRATED, ORGANICALLY DEVELOPED SOLUTION

For over twenty-five years, Benchmark Gensuite has empowered organizations to manage EHS, ESG, Sustainability, Safety, Quality, Operational Risk, Compliance, Product Stewardship, and Supply Chain programs – all on a single, seamless platform.

Unified Suite

Designed for mobile-first engagement for the frontline workforce, our cross-operational platform supports multiple functions and jobs to be done, with unrivaled seamlessness, providing the flexibility of point solutions and a path to complete digital transformation.

Best Practice & Proven

Peer-developed, best practice workflows, evolved over time to reflect advancements in the field, and available to all subscribers. Forged through pilot programs; tested, deployed, and refined by industry leaders.

Future Proof

We offer single-version software on one cohesive system with the same architecture. Subscriber-led innovation drives continuous upgrades, enhancements, and new applications, dynamically evolving the platform around subscribers' needs.

Future-Proof Tech That Works for Real People

Transform Data into Decisions

WITH REAL-TIME ANALYTICS AND DASHBOARDS

Create actionable business intelligence, unite data streams, and strengthen command of critical objectives. Our platform offers simple, yet powerful reporting, and integrates with both Power BI and Tableau. The best part? We set up reporting just how you want it, no matter the complexity.

A Mobile App Made for the Field AND THE FRONTLINE

Benchmark Gensuite's intuitive platform and top-rated mobile app are designed for easy use and adoption by frontline workforces. Join 300,000+ monthly mobile users and tap into our full solution suite anywhere the work takes you.

Practical, Purpose-Built AI

TESTED AND TRUSTED BY INDUSTRY LEADERS

Put a co-pilot, data scientist, and personal assistant at the side of your teams. Reach new heights of productivity and proactivity with award-winning, platform-wide AI solutions tailored for daily EHS & Sustainability tasks.

UNBEATABLE CUSTOMER VALUE

Unlimited User Access

FOR UNLIMITED ENGAGEMENT

No per-user licensing boosts programmatic engagement from employees at every level of the organization.

Fast Setup. Fast Results

100% ON-TIME LAUNCH
DEPLOYED IN UNDER 3 MONTHS

Tested against high-complexity programs, our core solution can deploy within 90 days. With a 100% on-time launch record over our 25-year legacy of service, we have the strategy and expertise to make your setup experience seamless.

Certifications, Accreditations, and Memberships

We're a part of a global network of leading organizations and standard-setters for EHS & Sustainability.
